Budget Breakdown

this is a growth test, not a burn.
Payback logic: blended CAC RM20 → client LTV RM 90–150 (2–3 bookings × RM 300 × 20%). CAC pays back in 1–2 bookings. Kill or scale by ROAS weekly —

Risks & Mitigations

Risk	L	I	Mitigation
Not enough artists at launch	Med	High	Concierge recruitment from T-6; 30-artist gate — delay Day 0 if short
Demand lags supply (artists churn)	Med	High	Weekly zero-booking check; demand ads + featured rotation; commission-free period
Checkout friction (Billplz)	Med	High	Track booking_started→completed; A/B deposit vs full payment; WhatsApp assist
KOL underperformance	Med	Med	60/40 flat + booking commission; test 4 in wave 1 before wave-2 spend
Promo abuse (RM30 codes)	Med	Low	One code per account; cap 300; fraud flag on repeat emails
SEO ramp too slow	High	Low	Content engine from Day 1; treat SEO as 6-month play; rely on paid + social at launch
Traffic spike / infra	Low	High	Launch-ready  ; load-test /artists + /bookings; UPSTASH Redis in prod

Guardrails: artists idle 14+ days · no-show/cancellation <15% · artist response <4 hrs · search→booking ≥2%

Open Questions for the Founder

1

Confirm launch date

Oct 5, 2026 proposed — first Monday after Hari Malaysia week, peak wedding season.

2

Budget sign-off

RM 96,000 / 90 days, drawn from seed runway per financial forecast.

3

Promo-code system

Does admin support codes/credits, or is a dev task needed before Aug 24?

4

Marketing owner

In-house hire vs agency vs founder-led with this plan as the ops doc — #1 dependency.

5

Brand assets

IG/TikTok/FB handles (@leish.my?), logo kit, press photos.

6

Leish+ timing

Keep RM29/mo pilot internal for 90 days; public in Q1'27 (recommended).

7

Legal & compliance

PDPA consent on waitlist capture + contest T&Cs before any giveaway.
